

# Access to patent examination training

## Virtual Instructor Led Training (vILT)

The vILT program gives the public a better understanding of various topics related to examination practice and procedure based on training delivered to USPTO examiners.

## Why participate in vILT courses?

- Led by USPTO subject matter experts (SMEs).
- Participants can ask questions and receive answers from SMEs.
- Available live and online to allow external stakeholders to participate remotely.
- Free of charge.
- The USPTO will apply for Continuing Legal Education (CLE) accreditation in Virginia for specific courses within the program.
